The Delaware Valley MEDA Chapter meets regularly to network and discuss the intersection of faith and work. Visitors are always welcome!

Third Thursday Breakfast Program: These events take place at Franconia Square Cafe and begin at 6:30am and conclude promptly by 7:30am. These are informal gatherings of local business and professional people looking to network and explore the intersections of their faith and their business.

Seasonal Dinner Programs: These events take place 3-4 times a year, featuring a guest speaker. The event begins with a sit down dinner and concludes with a speaker. The conversation continues to explore the intersections of faith and business and typically has a connection to MEDA’s current work.

Women Empowering Women: The group meets quarterly to promote the importance of women’s economic empowerment as a catalyst for positive change in the world. Women Empowering Women with MEDA will provide an opportunity for women to learn about issues facing women in developing countries, as well as MEDA’s projects that empower women to rise above social and cultural barriers toward improved livelihoods.
